Free Indeed Recovery Group Ministry

A biblically based treatment program with small groups and individual counseling. Through practical application of the principles of the Program and the Word of God, you will learn to allow God to bring healing and restoration to your life.

About the Program

No matter your ethnicity, gender, socio-economic status or environment, all of us in some way have suffered the betrayals of abuse be it mental, physical or sexual and gone through life with destructive character traits and addictions, unable to get free. We are committed to setting the captives free through the overcoming power of Jesus Christ.
